2009-2010 PETITION FOR INDEPENDENT STATUS

Student Name: Last First UID#

Please do not submit this petition if your Free Application for Federal Student Aid (FAFSA) has not been filed with the Federal Processor first. If your Petition for Independent Status is approved by the UCLA Financial Aid Office, UCLA will submit a dependency override to the Federal Processor on your behalf. If your petition is denied, you will be instructed to make changes to, and provide your parental information on your FAFSA.

Students classified as dependent may file this petition to be reclassified as independent based upon adverse family conditions that make obtaining your parents' FAFSA information impossible. In order for your appeal to be approved, you must be able to document that all financial and emotional contact with your parents has been severed as a direct result of the adverse family condition. Please complete all steps as outlined in this form and return it to the UCLA Financial Aid Office for processing. *If your appeal for independent status was approved by UCLA in the past, you do not have to resubmit copies of documentation already in your file.*

Examples of eligible circumstances include:

- Severe estrangement from parents
- An unsafe domestic environment
- Unknown whereabouts of parents

Examples of non-eligible circumstances include:

- Financial hardship
- Parents' desire NOT to provide financial support to the student
- A student's ability to be self-sufficient

STEP 1: Personal & Professional Statements

Please check one of the following boxes and explain in detail the extenuating family circumstances that you believe warrant review of your dependency status in the space provided below. You may attach additional sheets of paper if more space is needed beyond what has been provided.

In addition to your personal statement, a letter, on official letterhead, from a professional (counselor, social worker, therapist, member of the clergy, etc.) substantiating and documenting the existence of your adverse family circumstances **AND** a second letter from a person having comprehensive knowledge regarding the existence of the adverse condition must be provided with this petition.

- I am submitting the Petition for Independent Status for initial consideration during the 2009-2010 academic year. I understand that if my appeal is approved, I must submit a Petition for Independent Status for each subsequent year I wish to receive financial aid.
- My Petition for Independent Status was approved in a prior academic year. However, Federal Regulations require me to submit a statement verifying that the documented adverse family circumstances still exist. This information is being provided in the following sections of this appeal form.
