**2010-2011 PARENT PETITION  
 TO USE PROJECTED YEAR INCOME**

---

Student Name: Last                      First                      UID#

If your parents' expect their 2010 calendar year income to be significantly less than their 2009 calendar year income, you may wish to file this petition. *Parent petitions for PYI may be submitted up to two consecutive years.* **Please Note:** parents whose primary source of income is gained through self-employment are not allowed to project their income if the business is still operational. Appeals based on loss of self-employment earnings must be accompanied by 2010 federal tax returns in order for the re-evaluation to be completed. Any changes made as the result of the re-evaluation will be retroactive to the beginning of the academic year.

**Examples of eligible circumstances include:**

Loss of full time employment, loss of untaxed income (SSI benefits or child support), loss of income due to disability or illness, loss of income due to divorce, legal separation, or death in the family.

**Examples of non-eligible circumstances include:**

Loss of income gained through overtime hours, loss of income gained through gambling or lottery winnings.

**STEP 1:** You must attach documentation, which verifies your circumstances.

Loss of employment	Verification from your employer
Disability or illness	Statement from attending physician or from State Disability Office
Legal Separation or divorce	Proof of legal separation or a divorce decree
Death	Death certificate
Loss of untaxed income	Letter from Agency discontinuing payments

**In all cases, you must provide a photocopy of your final or latest pay-stub verifying the Year-To-Date earnings for 2010 and a signed copy of your and your spouses' 2009 IRS form 1040/1040A/1040EZ including all schedules, statements, and W-2 forms.**

**STEP 2:** Please attach a type-written statement, which explains your special circumstances.

**CERTIFICATION STATEMENT:** I certify that all information reported on this form is true and accurate to the best of my knowledge. I have also attached all required documentation, if necessary. I understand that purposely falsifying information may lead to a cancellation of my aid and prevent me from receiving financial aid in future academic years.
